Canada, the USA, and Japan. It is
trusted by leading organizations:
The Red Cross
Nova Scotia Health
Veterans Affairs hospitals (USA)

What makes the Escape different?

SUPERIOR COMFORT

Sculptured seat with removable washable seat pads reduces pressure on the back of the legs while seated.

ERGONOMIC DESIGN

7° angled brake handles reduce strain on hands, wrists, and shoulders.

RELIABLE BRAKING

Easy-to-use, durable braking system for enhanced safety.

CONVENIENT STORAGE

Automatic frame lock for secure lifting and transport.

SPACE-SAVING

Partially folds to navigate narrow doorways with ease while maintaining stability

LIFETIME COVERAGE ON THE FRAME, 5 YEARS ON HANDBRAKES, AND 2 YEARS ON COMPONENTS.
