ABOUT OUR COMPANY

TRIUMPH MOBILITY IS DEDICATED TO HELPING PEOPLE WITH MOBILITY CHALLENGES LIVE THEIR LIVES TO THE FULLEST.

Founded in 2012 with a goal to make and distribute innovative products that put the user first, Triumph Mobility is dedicated to helping clients live active and independent lifestyles. We are relentless in our efforts to source safe, dependable and ergonomic mobility solutions.

We provide mobility aids from walkers, rollators to transport chair, plus all of the accessories needed for these products. We also consult with clients to help them find the best solutions for their needs.

We manufacture the Prestige 2 in 1 rollator and transport chair and Escape rollators.

VISION

Our vision is to become a global leader in providing dependable, comfortable, and innovative mobility and lifestyle solutions.

MISSION

Triumph Mobility aims to improve the daily lives of everyone we serve, helping them to move through their world with dignity and comfort.

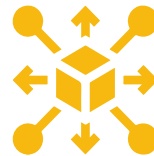

WHAT WE DO

Triumph Mobility specializes in manufacturing and distributing devices that help clients stay active in their busy lives. Our current lineup includes rollators designed to help people with mobility issues maintain their independence. These rollators are made with high quality materials and are built to be sturdy and durable for use in a variety of different settings.

OUR NEWEST
FLAGSHIP PRODUCT

PRESTIGE

Triumph Mobility is proud to introduce a game-changing rollator and transport chair in one. In seconds, you can swivel the flexible padded back rest from the rollator position to the transport chair, flip the handgrips around from the user position to the caregiver, and the user is ready to move. Unlike other rollators on the market, there's no fussy instructions or need for tools.

OVERVIEW

An all-in-one rollator and transport chair

Proudly designed and engineered in Canada, the Prestige was created with comfort in mind. Triumph Prestige is safe, ergonomically comfortable and stylish

- ❑ **Transforms in seconds:** The flexible padded backrest makes the switch from rollator to transport chair simple
- ❑ **A sleek design built in:** Brake cables are hidden inside the frame and stylish colours add flair
- ❑ **Ergonomics top of mind:** Ergonomic handgrips, padded armrests, plus a backrest that is angled differently to suit each seating mode to provide maximum comfort for both user and caregiver
- ❑ **Simple and compact:** No tools needed, no extra parts to bring with you. Just go

Flexible backrest. Aluminum frame to last longer. Shock absorbing foam-filled tires and more

- Ergonomic handgrips angled for a more natural and comfortable grip.
- Easily adjustable handle height for maximum comfort and safety.
- Folds up and stays folded for storage and transport.

A GREAT SUPPORT FOR
EVERYDAY MOBILITY

ESCAPE

OVERVIEW

The Escape is a folding rollator that helps users to get their mobility back while providing comfortable and compact support. With a compact folding system, this rollator can be easily lifted and stored in a car trunk and stands on its own when folded for convenient storage.

Let Escape turn a world of obstacles into a future of endless possibilities!

Features

- The Escape remains standing while folded and locked, taking up less space.

The arms have a gentle seven-percent slope, reducing stress on wrists and putting the user's hands in a more natural position.

The brakes are the easiest on the market to apply.
- Ergonomic handles are perfect for people with reduced hand strength.

The Escape's hand grips are wider than normal, allowing the user to spread their weight more widely across their palm.

The Escape is easier to lift into a car than most similar devices thanks to the frame lock.
